

CLEVELAND ARTS PERFORMANCE ENSEMBLE CORPORATE SPONSORSHIP PROGRAM

Established in 2010, the Cleveland Arts Performance Ensemble (C.A.P.E.) has grown to over 130 students and is recognized as one of the premier high school band programs in North Carolina as well as nationally.

The Cleveland Arts Performance Ensemble participates in local, state, regional, and national events where the students perform before thousands of people each year and are consistently recognized as one of the top band programs in the country. These accomplishments bring positive recognition and pride to the Cleveland area and all of Johnston County.

During the last year, our band program endured the changes and disappointments due the effects of COVID-19. Our ability to raise funds in our usual manner was not possible. Our goal moving forward is to gain community and corporate financial support from the Cleveland Area business partners, to help the C.A.P.E. achieve its goal of performing at the highest level in all its endeavors and to provide a platform for the participating students to reach their full potential as we return to our usual performance opportunities.

All corporate sponsorship monies go directly into the Cleveland High School Band Parent's Association fund (CvHS BPA) which is a non-profit 501 (c)(3) organization. Advertisement from your sponsorship will reach local, regional, and national exposure as we host other performance groups and travel multiple times per year.

The Band Parent's Association truly appreciates your sponsorship and we thank you for your contribution.
